

Alex G - Be Still And Know

tom: E

I'll be there when the light's out Fm

When you find out there ain't nothing to hold no more Dbm A

I'll be there when it all seems lost E

Cause I've been there when it's lonely Fm

When the only thing I wanted?was?to?feel sane Dbm A

You were?holding me up?that day E

And I promise you I'll be there too Fm A E

When your world stops turning A

And it won't stop hurting E

Say the word and I'll carry you honey Fm E

You were there when I lost it Fm

Wasn't talking waited for you to walk away Dbm A

Tripping over your words you prayed E

They're always saying to trust it Fm

Dbm

Always something

But all I have of it is your face A

Living breathing and perfect grace E

And I promise I will give my best to you Fm A E

When your world stops turning A

And it won't stop hurting E

Say the word and I'll carry you honey Fm E

And when your prayers aren't working A

And you can't be certain E

Be still and know that I'll come running Fm E

When your world stops turning A

And it won't stop hurting E

Say the word and I'll carry you honey Fm E

And when your prayers aren't working A

And you can't be certain E

Be still and know that I'll come running Fm E
