Alex G - Be Still And Know

| ton | Always something |
|--|--|
| tom: E | A But all I have of it is your face F |
| Fm I'll be there when the light's out Dbm A | Living breathing and perfect grace |
| When you find out there ain't nothing to hold no more | And I promise I will give my best to you |
| I'll be there when it all seems lost Fm Cause I've been there when it's lonely | A When your world stops turning F |
| When the only thing I wanted?was?to?feel same | And it won't stop hurting Fm E |
| You were?holding me up?that day | Say the word and I'll carry you honey A And when_your prayers aren't working |
| Fm A E And I promise you I'll be there too | And you can't be certain Fm E |
| A When your world stops turning E | Be still and know that I'll come running A |
| And it won't stop hurting Fm E | When your world stops turning E |
| Say the word and I'll carry you honey | And it won't stop hurting Fm E |
| Fm You were there when I lost it Dbm A Wasn't talking waited for you to walk away | Say the word and I'll carry you honey A And when your prayers aren't working |
| Tripping over your words you prayed | And you can't be certain Fm E Be still and know that I'll come running |
| They're always saying to trust it | |
