

# Alex G - I Remember You

tom:

C

I read my book today, I wonder if I'll get an A  
I raised my hand today, I wonder if they'll know my name  
I wandered back and forth, I wonder what my life is worth  
I wandered back and forth, I think I'm on the second floor

And I remember you, and I know what you can do  
And I know you'd do it too if time would just let you

I am a rocker now, I am a rocker now

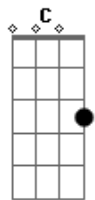

And I'll do whatever the fuck I want

And I am a cannibal, I am a cannibal  
And I'll eat whatever the fuck I want

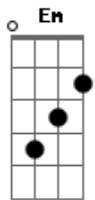

Are you okay, I'm not okay, In fact, I'm sick today  
I saw a picture of my face, I looked like a disgrace  
You don't know me, I'm on the floor but I'm just there to explore

And I remember you, and I know what you've been through  
And I know what you can do, and you know I'd do it for you
