

Alex G - Satellite

tom:

Gbm

[Primeira Parte]

Gbm D A
 All it takes is you and I
 Gbm D A
 Loves equation, love design
 Gbm D A
 Is it gravity? Your heart in mine
 A E
 All I know is; the stars have aligned
 Gbm D
 I can count the ways You lit up my life
 A E
 But I wouldn't try

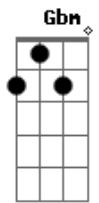

[Refrão]

A E
 You're science I can't describe
 Gbm
 Love unexplainably taking flight
 D
 Like a satellite

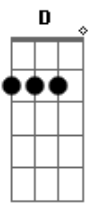

[Segunda Parte]

Gbm D A
 Ask me anything you'd like
 Gbm D A
 I could answer every why, ohh
 Gbm D
 You wake me up like a morning light
 A E
 Even darkness can't dim your bright eyes
 Gbm D
 You're the rising sun, The kindest sign
 A E

I will be all right

[Refrão]

A E
 You're science I can't describe
 Gbm
 Love unexplainably taking flight
 D
 Like a satellite
 A E
 This night brilliantly simplified
 Gbm
 I look at you and my heart takes flight
 D
 Like a satellite, satellite

[Ponte]

Gbm E
 And when the skies are rough
 Gbm D
 The elements too much
 Gbm E
 Our love will hold us up
 Gbm D
 We're made of titanium

[Refrão]

A E
 You're science I can't describe
 Gbm
 Love unexplainably taking flight
 D
 Like a satellite
 A E
 This night brilliantly simplified
 Gbm
 I look at you and my heart takes flight
 D
 Like a satellite, satellite
