

Alexi Murdoch - Breathe

Tom: **C**

Intro: strofes: **Am** **Am** (tire o dedo do **E** e coloque duas casas à frente no **F#**, não é o **Gb** lá de cima), daí então faz o **F7M** na versão a partir da terceira corda.

(estrofe)
In the quiet of the shadow

(estrofe)
In the corner of a room

(estrofe)
Darkness moves upon you

(estrofe)
Like a cloud across the moon

(estrofe)
You're a-wearing all the silence
Of a constant that will turn
Like the windmill left deserted
Or the sun forever burn

Am **G** **F** **C**
So don't forget to breathe

Am **G** **F** **C**
Don't forget to breathe

Am **G**
Your whole life is here

F **C**
No eleventh hour reprieve

Am **G** **F**
So don't forget to breathe

E7
Keep your head above water
But don't forget to breathe

(mesma coisa aqui, intro/estrofe)

And all the suffering that you've witnessed

And the hand prints on the wall
They remind you how it's endless
How endlessly you fall

And the answer that you're seeking
For the question that you found
Drives you further to confusion
As you lose your sense of ground

(refrão)

So don't forget to breathe
Don't forget to breathe
Your whole life is here
No eleventh hour reprieve
So don't forget to breathe

Keep your head above water
But don't forget to breathe

(intro/estrofe)

Breathe....

Don't forget to breathe
Don't forget to breathe
You know you are here
But you find you want to leave
So don't forget to... breathe

(aqui é igual a intro/estrofe também)

Just breathe
Just breathe
Just breathe...
Just breathe...
Just breathe...
