D G D G

D  
Well I had a dream  
G  
I stood beneath an orange sky  
D  
Yes I had a dream  
G D  
I stood beneath an orange sky  
G D  
With my brother standing by  
G D  
With my brother standing by  
D  
I said Brother, you know you know  
G D G  
It's a long road we've been walking on  
D  
Brother you know it is you know it is  
G D  
Such a long road we've been walking on

G D G

D  
And I had a dream  
G D  
I stood beneath an orange sky  
G D  
With my sister standing by  
G D G  
With my sister standing by  
D  
I said Sister, here is what I know now  
G  
Here is what I know now

Goes like this..

D  
In your love, my salvation lies

G  
In your love, my salvation lies  
D  
In your love, my salvation lies  
G D  
In your love, in your love, in your love  
G D G

Bm A G  
But sister you know I'm so weary  
Bm A  
And you know sister

G  
My hearts been broken  
Bm A  
Sometimes, sometimes  
G D  
My mind is too strong to carry on  
G D G  
Too strong to carry on

D  
When I am alone  
G D  
When I've thrown off the weight of this crazy stone  
G  
When I've lost all care for the things I own  
D G  
That's when I miss you, that's when I miss you, that's when I miss you

D  
You who are my home  
G D G  
You who are my home  
D  
And here is what I know now  
G  
Here is what I know now

Goes like this..  
D  
In your love, my salvation lies  
G  
In your love, my salvation lies  
D  
In your love, my salvation lies  
G  
In your love, my salvation lies  
D  
In your love, my salvation lies  
G  
In your love, my salvation lies  
D  
In your love, my salvation lies  
G D  
In your love, in your love, in your love

G D G D G

D  
Well I had a dream  
G D G  
I stood beneath an orange sky  
D  
Yes I had a dream  
G D  
I stood beneath an orange sky  
G D  
With my brother and my sister standing by  
G D  
With my brother and my sister standing by  
G D  
With my brother and my sister standing by
