 Intro: C E Am E F G C

[Primeira Parte]

I'm not the kind of fool
 Who's gonna sit and sing to you
 About stars, girl
 But last night I looked up into
 The dark half of the blue
 And they'd gone backwards

[Pré-Refrão]

Something in your magnetism
 Must have pissed them off
 Forcing them to get an early night
 I have been searching from
 The bottom to the top
 For such a sight
 As the one I caught when I saw your

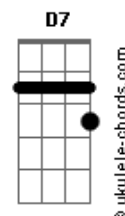

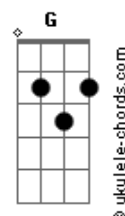

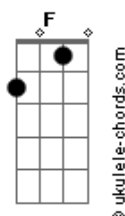

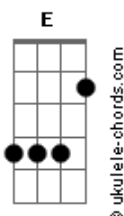

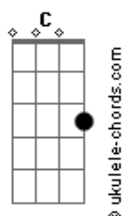

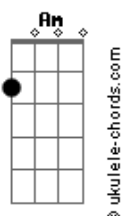

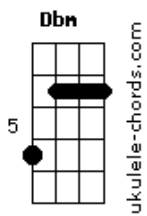

[Refrão]

Fingers dimming in the lights
 Like your used to being told that you're trouble
 And I spent all night
 Stuck on the puzzle

[Segunda Parte]

Nobody I asked

Acordes

Knew how he came to be the one to whom
 You surrendered
 Any man who wasn't led away
 Into the other room
 Stood pretending

[Pré-Refrão]

That something in your magnetism
 Hadn't just made him drop
 Whoever's hand it was that he was holding
 I have been searching from
 The bottom to the top

For such a sight

As the one I caught when I saw your

Fingers dimming in the lights
 Like your used to being told that you're trouble
 And I spent all night
 Stuck on the puzzle

[Refrão 3]

I tried to swim to the side
 But my feet got caught in the middle
 And I thought I'd seen the light
 But oh no

I was just stuck on the puzzle
