Hear the clock ticking on the wall

Losing sleep, losing track of the tears I cry

Every drop is a waterfall

Every breath is a break in the riptide

Oh, how long has it been? I don't know

But it feels like an eternity
G Cadd9
Since I had you here with me
Em7
Since I had to learn to be
G Cadd9
Someone you don't know
Em7
To be with you in paradise
G Cadd9
What I wouldn't sacrifice
Em7
Why'd you have to chase the light
G Cadd9
Somewhere I can't go?

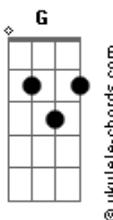

Em7
As I walk this world alone
G Cadd9
As I walk this world alone

Em7 G
Another glimpse of what could've been
Cadd9
Another dream, another way that it never was
Em7 G
Falling back in the wilderness

Waking up, rubbing salt in the cut

Oh, how long has it been? I don't know
