

## Alex Warren - Troubled Waters

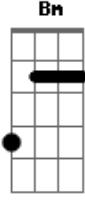

tom:  
G

Hey  
Bm  
Locked inside my head  
D  
Didn't wanna let you see me break down  
Bm  
Prisoner of the past  
D  
I'm not here to ask you for a way out  
G  
The waves keep crashin'  
Bm D A  
What would happen if I asked you to stay?  
G Bm  
Whoa, say you won't  
D A  
Let me drown in troubled waters alone  
G Bm  
Oh, throw me a rope  
D A  
Won't you tell me that you're still holdin' on?  
G  
Feel the world on my shoulders  
Bm  
Slowly pullin' me under  
D A  
And I don't wanna push you away  
G Bm  
Whoa, say you won't  
D A  
Let me drown in troubled waters, drown in troubled waters alone  
Bm  
Storm is rollin' in  
D  
There's no stoppin' it, darlin', believe me (ooh)  
Bm  
I've got a tendency to run  
D  
And all I've learned from love is that it leaves me (ooh)  
G  
The waves keep crashin'  
Bm D A  
What would happen if I asked you to stay?  
G Bm  
Whoa, say you won't  
D A
