

Alexandre J Regis - Helena

tom: C

Raio de luz, sol da manhã
 Nuvem do céu, novelo de lã
 Bênção de Deus que a vida me deu
 Vida que ganhei Quando você nasceu
 És O Melhor Pedaco de Mim
 Meu Pequeno Anjo Meu Querubim

Tudo que sonhei e que sempre quis
 Prometo amor te fazer feliz
 Minha Princesa fruto de amor e paixão
 Teu sorriso me inspira preenche minha vida
 E meu coração
 Minha Helena tens a pureza da flor
 Canção preferida luz da minha vida
 Filha meu amor
