

Alexandre Menestrel - Maracatu de Saída

tom:
Am

Adeus, meu povo

Eu tenho de ir me embora

Seguindo as estradas, quebradas, caminhos

Eu tenho um encontro com a aurora

Agradeço ao povo do dia

Agradeço ao povo da noite

Venha com a gente

Quem for de boa energia

Venha com a gente

Só ando em boa companhia

Venha com a gente

Quem for de boa energia

Venha com a gente

Só ando em boa companhia

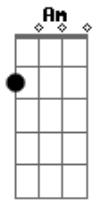

Adeus, meu povo

Eu tenho de ir me embora

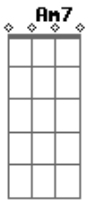

Seguindo as estradas, quebradas, caminhos

Eu tenho um encontro com a aurora
