

# Alexandre Pires - Estrela Cadente

Tom: C

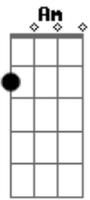

Dia, noite e céu  
 minha vida ao alcance de suas mãos  
 doce mel  
 que agita e tira meus pés do chão  
 sou seu réu  
 quis roubar o seu coração  
 te amo, te adoro  
 Cai estrela, cai, a, a, ai...  
 faz ela me dizer te amo  
 eu canto  
 cai estrela, cai, a, a, ai...

faz ela me dizer te amo  
 Luz tão fulgaz  
 vai cruzando o espaço na escuridão  
 risca o mar  
 em minh'alma, estrondo de um trovão  
 faz juntar  
 Os pedaços, meu coração,  
 te amo, te adoro  
 Cai estrela, cai, a, a, ai...  
 faz ela me dizer te amo  
 eu canto  
 cai estrela, cai, a, a, ai...  
 faz ela me dizer te amo
