

Alexandre Pires - Eu Menti

Tom: A

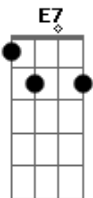

Eu menti
 Quando disse que não te queria
 Quando disse que minha alegria
 Era viver longe de você
 Eu menti
 Pois o meu coração me obrigou
 E nos meus olhos você pode ver
 Que está sofrendo meu interior
 O amor
 Faz a gente enlouquecer
 Faz a gente dizer coisas
 Pra depois se arrepender
 Mas depois
 Vem aquele calafrio
 E o medo da solidão
 Nos faz perder o desafio

Ai vem o desespero
 Machucando coração
 Eu me entrego por inteiro
 Implorando o teu perdão
 (F7)
 O amor
 Faz a gente enlouquecer
 Faz a gente dizer coisas
 Pra depois se arrepender
 Mas depois
 Vem aquele calafrio
 E o medo da solidão
 Nos faz perder o desafio
 Ai vem o desespero
 Machucando coração
 Eu me entrego por inteiro
 Implorando o teu perdão
