

Alexandre Pires - Vou Viver À Vida

Tom: C

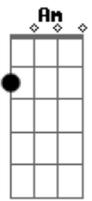

Acabou mas valeu, não faz mal, tudo bem
 Eu quero ver se ele vai suportar você
 Todo amor que era seu eu vou dar a alguém
 Que me faça feliz, que me faça crescer (2x)
 E agora?

Eu agora vou viver a vida
 To cansado de ser enganado
 Nunca mais eu entro em dividida
 Eu agora quero ser amado
 Vou botar meu bloco na avenida
 Vou mudar o enredo desse amor
 Pra acabar de vez com o desamor
