Tom: C

Alexandry - Dead Heart

F I'll never be one that take you away Am Or catch you when you say It will never be one that will pay Am You will never want someone like that I'll never be your body through the night For i will be out for a while I'll never make your life and your disires Am Because i not yet found the love of mey life Em I see your face in darkness Em Am I see your your bealtfull dead heart I see you with a fake smile Fm Am I only see your world around me FGAmOnly...Forget...Never...2x F I'll never be one that take you away Am С Or catch you when you say It will never be one that will pay Am You will never want someone like that I'll never be your body through the night For i will be out for a while I'll never make your life and your disires Because i not yet found the love of mey life Am I see the love on your foots

Acordes

I see my time fine to close Em Am I see, You see, We see my solidute My solidute in my eyes G Am Only... Forget... Never... 2x I'll never be one that take you away Am C Or catch you when you say G It will never be one that will pay Am It will never be one that will pay F It will never be one that will pay Am It will never be one that will pay F It will never be one that will pay Am It will never be one that will pay F It will never be one that will pay Am It will never be one that will pay F G Am C 0hwnn 4x I'll never be one that take you away Or catch you when you say It will never be one that will pay Am You will never want someone like that I'll never be your body through the night For i will be out for a while I'll never make your life and your disires Because i not yet found the love of mey life
