

Alexia Evellyn - Dark Side

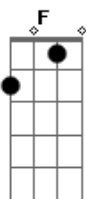

tom:
Am
In the blanket of your sun
I could never see your shadows
Hungry for the love
And for the scars in you
I am tired, tired
Take me there, oh Gaia
Let's go higher, higher
Take me home
Put the fire, fire
In my heart, oh Gaia
Let's go higher, higher
Take me home
Am F
Ho heyo ha
Dm
I wanna dance with you
Am F
Ho heyo ha
Dm
To the dark side of your moon
(Am)

Am
Daughter of the Earth
You know Sadness gave you roots
Always on the run
Cause your seeking for the truth
