

Alexia Evelyln - Hold On

tom:
Intro: B Am B Am Bm Em

We'll be dancing in the fire of the living, heya ho heya ho
And a million sisters voices will be singing, heya ho heya ho
And we'll giving all we have to be receiving, heya ho heya ho
Every word we share will count and be forgiving, heya ho heya ho

Hold on, hold on

Never give up on love

Never give up on us
Never give up on love, on us, on trust

Dance the hurt away
Dance it all away

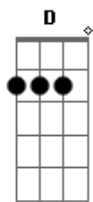

Never give up on love

Never give up on us
Never give up on love, on us, on trust

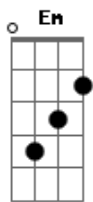

Dance the hurt away
Dance it all away

I want to feel the kiss and fall into the mystery, heya ho heya ho
