

Alexia Evellyn - Scars

tom:

Dm

Intro: Dm F Gm Bb
Dm F Gm Bb

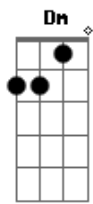

There are things that I've been holding on to
That now seem ready for your gentle eyes
Can we cry that scarlet sea

I've kept waiting
I've kept waiting

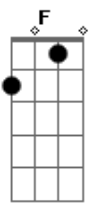

I'll dive where yesterday was drowning
And swim the tragedy that hides uuu
All my tears and all my broken smiles
My scars are safe with you

(Dm C Bbadd9 Gm)

When I left the city on a railway
Took my rage and sadness in my suitcase

I run away and nothing changed
Then I found a place
Where my heart could break

I'll dive where yesterday was drowning
And swim the tragedy that hides uuu
All my tears and all my broken smiles
My scars are safe with you

My scars are safe with you
