

# Algarra - A Gente Não Namora

Tom: C

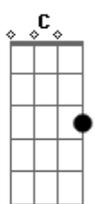

A gente tem tudo pra dar certo  
 E também pra dar errado  
 Mas esteve aqui tão perto num romance alucinado  
 De repente se formou  
 Quem sabe quantos dias esperar  
 Distâncias que não podem separar  
 Depois de tantas coisas conversadas

E momentos de ternura despedidas confirmadas uma inquietação  
 fez adiar aquela hora  
 Que tudo parecia terminar  
 E agora o que será?  
 A gente não namora, a gente não namora  
 A gente só se pega depois vai embora  
 A gente não namora, a gente não namora  
 A gente só se pega depois vai embora
