

Alice - Bittersweet Song

tom:

Intro: C Am F E7

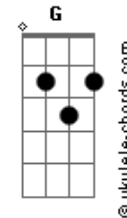

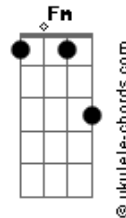

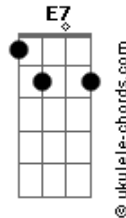

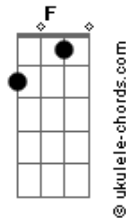

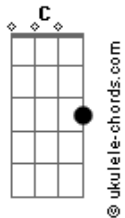

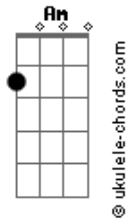

I was in love with you, I convinced my heart
In a storybook romance, we'd never be apart
Felt like a dream, a melody in my mind
A day that etched its mark, a love so blind

But one year on, you kissed my best friend
Thoughtful, she asked if I'd mind in the end
I said I didn't care, we were just a crazy thought
But what if you knew, what if you knew I loved you a lot

I deceived myself, thinking we'd always be
But reality struck, you and I weren't meant to be
You had no clue, my feelings kept in the dark
Now just one question echoes, an unanswered remark

But one year on, you kissed my best friend

Acordes

Thoughtful, she asked if I'd mind in the end

I said I didn't care, we were just a crazy thought

But what if you knew, what if you knew I loved you a lot

As melodic as our love was meant to be

I find myself here, lost in this what if spree

You and I, a story that never began

In my heart, forever questioning, where do we stand

But one year on, you kissed my best friend

Thoughtful, she asked if I'd mind in the end

I said I didn't care, we were just a crazy thought

But what if you knew, what if you knew I loved you a lot

In this melody of love and regret, my heart remains

A timeless question echoes, with unspoken pains

What if you knew, what if you knew I loved you true

But it's too late now, a bittersweet song with no debut
