

Alice Cooper - Only Women Bleed

Tom: **C**

From: (RONALD W ENGLISH)

"You and ME" (there is another hit love song but someone stole my tape and I can't remember the name of it)
"Welcome to my nightmare" or "Black Widow".

I had trouble transcribing this. If you are having trouble playing it, e-mail me and I will try harder. Also, I've tried to download twice and can't get it to run
Any ideas what I'm doing wrong ??

V1. Man got his woman to take his seed

He got the power, oh she got the need
She spends her life through, pleasin up her man
feeds him dinner or, anything she can

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed
Only women bleed
Only women Bleeeeeed

Man makes your hair grey, he's your life's mistake
all your really lookin' for's an even break
He lies right at you, you know you hate this game
Slaps you once 'n' a while and you live and love in pain

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed
Only women bleed
Only women bleeeeeed

Bridge

Black eyes All of the time
don't spend a dime clean up the grime
and you there down on your knees
beggin' me please to come watch me bleed

Only women bleed { to fade }
