

# Alice In Chains - Angry Chair Acoustic

Tom: D solo

album: unplugged  
tabed by: Michael Peach

This is a pretty simple song. All except for the solo.  
One thing that is fun to do is take the acoustic solo  
and play it over the recorded version. This tab is 100%  
accurate I promise. It is also tuned at a half step.  
Intro: /verse

the rest of the solo is over the verse riff

pre-chorus

well thats it. I hope you enjoy it.
