

Alice In Chains - Angry Chair Solo

Tom: D

Angry Chair - Solo Tabbed by Anthony DePiano (5/29/07)

I hope this is correct. I listened to it and played along with the solo many times. This is the closest that I can $\,$

b = bend note
r = release
h = hammer-on
p = pull-off
\ = slide

get it.

\ = slide
v = vibrato
