Alice In Chains - Bleed The Freak Solo

Tom: Db

Bleed The Freak - Solo
Tuning - Eb Ab Db Gb Bb eb (same as Eb Ab Db Gb Bb Eb)
Tabbed by Anthony DePiano (5/7/07)

It?s been 17 years and no one has posted a tab for the solo.
This is my stab at it. I
it?s pretty accurate. If it?s not 100% correct, at least you
can use it as a reference
you want to figure it out.

b = bend note
r = return bend to original note
h = hammer-on

p = pull-off
 = optional note. You don?t have to play it.
~ = vibrato
Pm... = palm mute
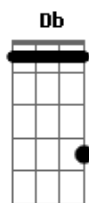

```
                                Pm................              Pm.......

                   Pm..........
                                                                hold bent note and
                                                     return

                   Pm..........
```
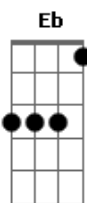

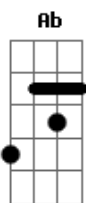

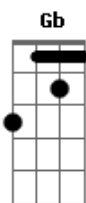

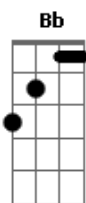

Acordes
