

# Alice In Chains - Blue

Tom: **C**

(intro) **Em**

(**Em**)  
Wasting doubt dwelled in me  
Life slipped by wasted teens  
Feeling small as I look around  
Why can't I cleanse myself?

**F** **Em**  
Fall in, face it, feel it, pray  
**F** **Em**  
Weighted what you wanted me to be

**B** **A** **E**  
Every god lives in me  
**B** **A** **E**  
One who wallows in vain  
**B** **A**  
Are you real?  
**B** **A**  
Do you feel?  
**E F E F E**  
Pain...

(**Em**)  
Twirling leech, spinning down below  
Wishing for the song to write  
Leer at me, I can't see

**Am** I wrong to be?

**F** **Em**  
Fall in, face it, feel it, pray  
**F** **Em**  
Weighted what you wanted me to be

**B** **A** **E**  
Every god lives in me  
**B** **A** **E**  
One who wallows in vain

Are you real?
