

Alice In Chains - Frogs

Tom: **A**

CHORUS RIFF:

Ab

Em

WARNING: THIS ISNT BASED ON ANY TIMING!

Try playing the verse riff like this - you'll find it a lot easier.

VERSE RIFF

LEAD VERSE RIFF (along with the above one)

BRIDGE RIFF - 1ST GUITAR

I think guitar 2 goes along the above riff with a slightest variation

which I like even better.

BRIDGE RIFF - 2ND GUITAR

I'm not sure about that fill during chorus either but this sounds good:

repeat!

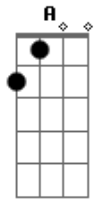

The harmonics when Layne starts talking:

The riff after the harmonics.

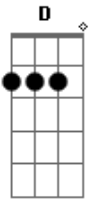

After playing that a couple of times Jerry goes back to those harmonics and ends this great song.
