

Alice In Chains - Frogs Acoustic

Tom: **G**

Main Riff Repeat 4x,

Lead, Plays over Main Riff, along with the lyrics

Prechorus (oo part)

Repeat so many times then back to verse.

After 2nd verse, it goes into Prechorus Then into chorus

Repeat chorus 2x then lead plays along (why's it have to be this way)

Depois repita isso 4x:

Depois de tocar o de cima 4x o jerry faz isso:

That's it besides the adlib at the end, a chord is periodically strummed and muted 4and lead plays around with its natural harmonics

But like i said, its just like the studio version somebody comment on some of those fills
