Okey dokey this is a really cool song, thank god it's easy to
transcribe
I didn't put any timing into this, and there's a lot of times
where the =

open E power chord (022xxx) repeats that I didn't put in, so
figure it
out yourself.  If you can't figure it out, you shouldn't be
playing guita=
r.
 -the biggest third of FEEDBACK
