Tom: C

LICK AT END OF SONG [part E]

From: (Sean) Meehan

Authors notes: ok, it's tuned down half a step and in "dropped D" tuning

if you see this (\/\/\/\/\/\/\/) it means to go ape on the whammy bar

chorus: part B 8 times

interlude: part C 5 times

solo: part C 3 times w/ part D 1 time

ending: part B 8 times w/ part E 2 times

CHORUS [part B]

RIFF DURING INTERLUDE AND SOLO [part C]
