

Alice Phoebe Lou - Only When I

tom:

G

You didn't teach me

I taught myself through you

You didn't heal me but I healed

From the things that you do

[Primeira Parte]

We didn't want each other baby

We wanted something so much more

To feel the rarest of feelings

That which opens all doors

[Segunda Parte]

Don't shut them all too quickly

There might not always be more

I'll spread your love so thickly

So I can reminisce some more

[Ponte]

Even if we're done for

Even if it's really sore

I'll take it all

Take it all, take it all

[Terceira Parte]

Sometimes it feels like

I could give it all up to be held by

D

You

But that's not all the time

No not all the time

[Refrão]

Only when I can't breathe

Only when I wanna believe

Only when it's late at night

Only when it don't feel right

Only when I touch my body

Only when I'm feeling naughty

Only when you're far away

Far away, far away

(Am D7 D)

(Am D)

[Refrão]

Only when I can't breathe

Only when I wanna believe

Only when it's late at night

Only when it don't feel right

Only when I touch my body

Only when I'm feeling naughty

Only when you're far away

Far away, far away
