

Alice Smith - Last Time (I Seen The Sun)

tom:
Intro: D

[Primeira Parte]

Early in this morning
As I open up my eyes
Something just feels right
'Cause I can see the dawning
It's not so far away
All my life, I've been waiting
For a day like today, oh

So I live like it's the last time
For a long time, at the wrong time
When's the right time?
Is it my time? Mm
Mm

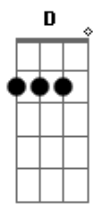

[Refrão]

And if I'm dreamin'
Then please, don't wake me up
Oh, woah

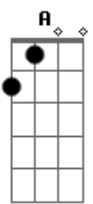

[Terceira Parte]

Last time I seen the sun
I was free and on the run

My sins and all I've done
Lord, forgive me, one more time
Last time I seen the sun
I was free and on the run
My sins and all I've done
Don't forget m?

[Refrão]

And let me see the dawning
Y?ah, It's not so far away
All my life, I've been waitin'
For a day like today

So I'll live like it's the last time
For a long time, at the wrong time
With the right time
Is it my time?
It's my time
It's my time
Yeah
Yeah, yeah

[Refrão]

And if I'm dreamin'
Then please, yeah, don't wake me up
