

Alice Thees - Need You Anyway

tom:

C

[Primeira Parte]

I see your shadow in the pouring rain
A distant echo, but it feels the same
You're in my heart, but out of reach
A dream I touch, but never keep
(Am Gm Fm Am Em)

I know that you're not mine to hold
But I can't let you go
I miss you like the stars miss the sun
Like a song left unsung
I know I shouldn't, but I stay
?Cause I need you anyway

I trace your name in the midnight air
A whispered wish that leads nowhere

Every road just takes me back
To all the things we had

I know that you're not mine to hold
But I can't let you go

I miss you like the stars miss the sun
Like a song left unsung
I know I shouldn't, but I stay
?Cause I need you anyway

Even if it's just a dream
Even if you'll never seen
I'll keep you here inside of me

I miss you like the stars miss the sun
Like a song left unsung
I know I shouldn't, but I stay
?Cause I need you anyway
