

Alicia Keys - Brand New Me

Tom: C

(Dm G Am Am)

Dm G Am
It's been a while, I'm not who I was before
Dm G Am
You look surprised, your words don't burn me anymore
Dm G Am
Been meaning to tell you, but I guess it's clear to see
Don't be mad, it's just the brand new kind of me
Can't be bad, I found a brand new kind of free

Dm G Am
Careful with your ego, he's the one that we should blame
Dm G Am
Had to grab my heart back God know something had to change
Dm G E Am
I thought that you'd be happy I found the one thing I need
Why you mad it's just the brand new kind of me

Oh it took a long long time to get here
It took a brave, brave girl to try
It took one too many excuses, one too many lies
Don't be surprised, don't be surprised

If I walk a little louder if I speak up when you're wrong
If I walk a little taller I've been on to you too long

Dm G E Am
If you noticed that I'm different don't take it personally
Don't be mad, it's just the brand new kind of me
And it ain't bad, I found a brand new kind of free

Oh, it took a long long road to get here
It took a brave, brave girl to try
It took one too many excuses, one too many lies
Don't be surprised, oh see you look surprised

Dm Am G F
Hey, if you were a friend, you want to get know me again
Dm Am G F
If you were worth a while, you'd be happy to see me smile
Dm Am G F
I'm not expecting sorry I'm too busy finding myself
I got this I found me, I found me, yeah

Dm G Am F
I don't need your opinion I'm not waiting for your ok
Dm G Am F
I'll never be perfect, but at least now I'm brave
Dm G E Am
Now, my heart is open and I can finally breathe
Don't be mad, it's just the brand new kind of free
That ain't bad, I found a brand new kind of me
Don't be mad, it's just a brand new time for me, yeah
