Tom: E

**Gb** **B7M**  
Ooohh New York (2x)

**Gb** **B7M**  
Grew up in a town that is famous as the place of movie scenes  
**Gb** **B7M**  
Noise is always loud, there are sirens all around and the streets are mean  
**Gb** **B7M**  
If I can make it here, I can make it anywhere, that's what they say  
**Gb** **B7M**  
Seeing my face in lights or my name in marquees found down on Broadway

**Bb**  
Even if it ain't all it seems, I got a pocketful of dreams  
Baby, I'm from...

(refrão)  
**B7M**  
New York  
**Gb**  
Concrete jungle where dreams are made of  
**Db**  
There's nothing you can't do  
**B7M**  
Now you're in New York  
**Gb**  
These streets will make you feel brand new  
**Db**  
Big lights will inspire you  
**B7M**  
Let's hear it for New York, New York, New Yoooorck!

**Gb** **B7M**  
On the avenue, there ain't never a curfew, ladies work so hard  
**Gb** **B7M**  
Such a melting pot, on the corner selling rock, preachers pray to God  
**Gb** **B7M**

Hail a gypsy cab, takes me down from Harlem to the Brooklyn Bridge

**Gb** **B7M**  
Some will sleep tonight with a hunger for more than an empty fridge

**Bb**  
I'm gonna make it by any means, I got a pocketful of dreams  
Chorus:

Baby, I'm from...

(refrão)  
**B7M**  
New York  
**Gb**  
Concrete jungle where dreams are made of  
**Db**  
There's nothing you can't do  
**B7M**  
Now you're in New York  
**Gb**  
These streets will make you feel brand new  
**Db**  
Big lights will inspire you  
**B7M**  
Let's hear it for New York, New York, New Yoooorck!  
**B7M**  
One hand in the air for the big city,  
**Db**  
Street lights, big dreams all looking pretty  
**Ebm**  
No place in the world that can com-pare  
**Bb**  
Put your lighters in the air, everybody say yeah, yeah, yeah, yeah  
**B7M**  
In New York  
**Gb**  
Concrete jungle where dreams are made of  
**Db**  
There's nothing you can't do  
**B7M**  
Now you're in New York  
**Gb**  
These streets will make you feel brand new  
**Db**  
Big lights will inspire you  
**B7M** **Gb**  
Let's hear it for New Yoooorck!
