If war is holy	Yeah, we can heal each other and fill each other

We've got it twisted	Baby, blow by blow and brick by brick
In this lucid dream	Keep yourself open, your open
Baptized in boundaries	Refrão:
Schooled in sin	So, maybe we should love somebody
Divided by difference	Yeah, maybe we could care a little more
Sexuality and skin	So, maybe we should love somebody
Pré-refrão:	Instead of, polishing the bombs of holy war
Oh, so we can hate each other and fear each other	Verso 3:
We can build these walls between each other	What if love is holy
Baby, blow by blow and brick by brick	And hate obscene
Keep yourself locked in, yourself locked in	We should give life
Yeah, we can hate each other and fear each other	To this beautiful dream
We can build these walls between each other	Cause peace and love
Baby, blow by blow and brick by brick	Ain't so far
Keep yourself locked in, yourself locked	If we nurse our wounds
Refrão:	Before they scar
Oh-oh, maybe we should love somebody	Nurse our wounds
Oh-oh, maybe we could care a little more	Before they scar
So, maybe we should love somebody	Final:
Instead of, polishing the bombs of holy war	Hmm, hmm, hmm
Verso 2:	Hmm, hmm, hmm
What if sex was holy	Hmm, hmm, hmm
And war was obscene	Hmm, hmm, hmm
And it wasn't twisted	
What a wonderful dream
