Alicia Keys - SuperWoman

Tom: C

```
   C          C          Am
Everywhere I'm turning
Dm           C            G
Nothing seems complete

C             C          Am
I stand up and I'm searching

F                C           Dm
For the better part of me
C           C                  Am
I hang my head from sorrow
Dm          C          G
State of humanity
C           C          Am
I wear it on my shoulders
F            G                      C
Gotta find the strength in me

Am       C        F           C
Cause I am a Superwoman
F        C
Yes I am
F        G
Yes she is
Am               Am
Still when I'm a mess
                      C
I still put on a vest
                          D
With an S on my chest Oh yes
F                    C               F      C
I'm a Superwoman
C             C          Am
For all the mothers fighting
Dm           C              G
For better days to come
C                   C             Am
And all my women, all my women sitting here trying
F                   C            Dm
To come home before the sun
C                   C
And all my sisters
Am
Coming together
    F        C
Say yes I will

F        G
Yes I can
Am       C        F           C
Cause I am a Superwoman

F        C
Yes I am
F          G
Yes she is
Am               Am
Even when I'm a mess
                      C
I still put on a vest
                          D
With an S on my chest  Oh yes
F        C                        F      C
I'm a Superwoman

F
When I'm breaking down
Fm
And I can't be found
Am      Dm               C
And I start to get weak
F
Cause no one knows
Fm
me underneath these clothes
G
But I can fly
G
We can fly, Oooohh

Am       C        F           C
Cause I am a Superwoman
F        C

Yes I am
F          G
Yes she is
Am               Am
Even when I'm a mess
                      C
I still put on a vest
                          D
With an S on my chest  Oh yes
F        C                        F      C
I'm a Superwoman
