Deep in my mind Im secure with getting by
Cadd11
I wanna see the light before I die or I lie in an empty space,

G
The darkness comes and I've been telling my soul
Cadd11
And me and myself we turn around, we're getting old,

G
But the lightning crashing, foolish emotions
Cadd11
From the bruises and the beauty in this moment that we're
feeling,

G
And I feel like I'm seeing the world inside of me
Cadd11
But I can tell you that I know, it's getting easier to
breathe,

G
There's a cold in the morning, endless equation
Cadd11
Of who we've become, it's a complex situation

G
So live, love, life give love
G
Live, love, life, give love
Cadd11
Live, love, life, give love
C
It's who are we anyway

Bb F C G

Bb F C G
