

Alicia Keys - Tell You Something

```
Tom: D
                                                                                                                                                                                      I don't wanna put it off for too long
                                                                                                                                                                                      I didn't say all that I had to say
                                                                                                                                                                                      I wanna take the time to right the wrongs
         Guess i'm caught up everyday
                                                                                                                                                                                      Before we get to the place
         Tryin to keep it all together
                                                                                                                                                                                      Chorus: SAME AS ABOVE Chorus-----
                                                                                                                                                                                      I wanna tell you something
           While the time just slips away
                                                                                                                                                                                     Give you something
                                                                                                                                                                                      Show you in so many ways
           See I know nothing lasts forever
                                                                                                                                                                                      Cuz it would all mean nothing
                                                                                                                                                                                      If I don't say something
                                                                                                                                                                                      Before it all goes away
           Imagine there was no tomorrow % \left( \left( 1\right) \right) =\left( 1\right) \left( \left( 1\right) \right) \left(
                                                                                                                                                                                      Don't wanna wait to bring you flowers
                                                                                                                                                                                     Waste another hour
                                                                                                                                                                                      Let alone another day
           Imagine that I couldn't see your face
                                                                                                                                                                                      I'm gonna tell you something
             There'd be no limit to my sorrow
                                                                                                                                                                                      Show you something
                                                                                                                                                                                     Won't wait til it's too late
             So all I can say
                                                                                                                                                                                      Just lean on my shoulder
Chorus:
                                                                                                                                                                                                             Bm
                                                                                                                                                                                      It's not over til it's over
           I wanna tell you something
Give you something
                                                                                                                                                                                      Don't worry bout it
                                                                                                                                                                                                             Α
                                                                                                                                                                                      Cuz i'm gonna make sure
Show you in so many ways
           Cuz it would all mean nothing
                                                                                                                                                                                      I'm gonna get stronger yeah
If I don't say something
                                                                                                                                                                                      I don't wanna wait until the storm
Before it all goes away
                                                                                                                                                                                      There's something wrong
           Don't wanna wait to bring you flowers
                                                                                                                                                                                      And now you're gone
Waste another hour
                                                                                                                                                                                      And I can't find ya
Let alone another day
           I'm gonna tell you something
                                                                                                                                                                                      I wanna tell you something
                                                                                                                                                                                      Give you something
Show you something
                                                                                                                                                                                      Show you in so many ways
                                                                                                                                                                                      Cuz it would all mean nothing
Won't wait til it's too late
                                                                                                                                                                                      If I don't say something
                                                                                                                                                                                      Before it all goes away
                                                                                                                                                                                      Don't wanna wait to bring you flowers
           I can't wait, I can't wait, I won't wait, I don't wanna
                                                                                                                                                                                      Waste another hour
                                                                                                                                                                                      Let alone another day
                                                                                                                                                                                      I'm gonna tell you something
           I can't wait, I can't wait, I won't wait, I don't wanna
                                                                                                                                                                                      Show you something
                                                                                                                                                                                      Won't wait til it's too late
I won't wait til it's too late
                                                                                                                                                                                      Repeat Chorus
                                                                                                                                                                                         -----SAME AS BEFORE.

                                                                                                                                                                                      I can't wait, I can't wait, I won't wait, I don't wanna wait
EXACTLY THE SAME AS PREVIOUS VERSE | ----- D G A
                                                                                                                                                                                      (i won't wait til it's too late)
Just a simple conversation (..sation)
Just a moment is all it takes (yeah)
                                                                                                                                                                                      I can't wait, I can't wait, I won't wait, I don't wanna wait
I wanna be there just to listen
                                                                                                                                                                                      (no.. won't wait, no no)
(i wanna be here)
                                                                                                                                                                                      I can't wait, I can't wait, I won't wait, I don't wanna wait
                                                                                                                                                                                      (i won't late til it's too late)
And I don't wanna hesitate (oh no)
                                                                                                                                                                                      I can't wait, I can't wait, I won't wait, I don't wanna wait
Imagine there was no tomorrow (imagine)
                                                                                                                                                                                      No no no no no
Imagine that I couldn't see your face (your face)
There'd be no limit to my sorrow (oh no)
                                                                                                                                                                                      (i can't wait, I won't wait)
Cuz there is nothing that can fill this space
                                                                                                                                                                                      And there you have it...a beautiful song
