

## **Alicia Keys - The Thing About Love**

```
Tom: Db
                                                                So you don't give up
                                    Afinação: Eb Ab Db Gb Bb
                                                                (pre-chorus)
Eb Intro: Eb
                                                                Everybody laughs
(verse 1)
                                                                Everybody cries
Love
                                                                Sure it could hurt you baby
Love will come find you
                                                                But give it a little try
Just to remind you
                                                                See that's the thing about love
Of who you are
                                                                (fill)
Eb
Oh love
           Ah7
It will forsake you
                                                                (chorus)
Threaten to break you
                                                                Oooh, tell me that I'm not the only that's going through it
                                                                all
    Cm
Take what you got
                                                                Eb
                                                                Eb
(pre-chorus)
                                                                Oooh, sometimes I feel like I'm the only that's going through
                                                                it all
Everybody laughs
                                                                Eb (Fm )
                                                                But it's time
Everybody cries
                                                                Oh it's about time
It could hurt you baby
                                                                         Eb
                                                                For me to shine (fill)
But give it a little try
                                                                (outro)
See that's the thing about love
                                                                Everybody laughs
(verse 2)
                                                                Everybody cries
Friends
                                                                Sure it could hurt you baby
Sometimes will blind you
                                                                But give it a little try
          Fm
Sneak up behind you
                                                                That's the thing about love
You can't give enough
                                                                That's the thing about love
    Eb
Then life
                                                                That's the thing about
         Ab7
It will embrace you
                                                                That's the thing about love
Totally amaze you
