Dm **Bb** **F** **C**

Dm **Bb** **F**
 I can see behind these walls
 But I can't live inside the maze that you made
 I can see behind your eyes
 All the pain you've felt, I'm feeling today
 I know you hide your world away
 Just to live another day
 But if you let me in, I'll show you the way

The colors in your life
 Do not show who you are
 The grey surrounding you will fade away
 I'll bring you from the dark
 No matter where you are
 The grey surrounding you will fade away (fade away)

Dm **Bb** **F**
 I can see behind these walls
 But I can't live inside the maze that you made
 I can see beyond the scars

All the hope you've lost, I'm losing today
