        G  Cm7

[Primeira Parte]

G
  Sorry
Cm7
    I got no signal
G
  Hang up
Cm7
    I don't wanna talk, no
G                          Cm7
  'Cause I know I should forget you, forget
     G
Your voice just keeps on breaking up
Cm7
    Yeah, it's breaking up

[Segunda Parte]

G
  I'll be
Cm7
    Out of your coverage
G
  I don't wanna be
Cm7
    Bringing so much baggage
G                  Cm7
  Even though I remember, remember
    G
The times when we communicated
Cm7
    Then we disconnected

[Pré-Refrão 1]

Em       B7
   On I go
    Em            A7
Without you, all alone
             C
'Cause this moment

Yeah, I got it

Here I go

To be honest
         Am                          D7
There's no one on the other line to call

[Refrão 1]

            G
Saying "Hello, hello"
Cm7
Every other night
            G
Saying "Hello, hello"
    Cm7
To see if you're alright
             G
No more "Hello, hello"
 Cm7
You'll be out of sight
Em       G         A7
I'll survive just fine
      Am
On my own
            D7
So leave a message

[Terceira Parte]

G
  Too late
Cm7
    I've made my decision
G
  Bracing
Cm7
    Myself for collision
G                           Cm7
  Push and pull, back and forth
                            G
Yeah, we try but we can't seem to follow through
 Cm7                              G
Failed to fix it like we used to do, ooh, ooh

[Quarta Parte]

Cm7
    I could hear you so clearly
G
  There for me
Cm7                                    G
    With your voice, I could play on repeat
                    Cm7
With the no-filter honesty
          G                      Cm7
Two a.m. moonlight, romantic melody
           B7            Em
But it's breaking up on me

[Pré-Refrão 2]

         B7
So on I go
    Em7            A7
Without you, all alone, oh
             C
'Cause this moment

Yeah, we lost it

Here I go

To be honest
         Am                          D7
There's no one on the other line to call

[Refrão 2]

    Cm7
To see if you're alright
             G
No more "Hello, hello"
Cm7
You'll be out of sight
 Em     G        Am

"Hello, hello"
Cm7
Every other night
