| I took a walk for the very first time on the dark side of the dance floor.
| Lit a match just to heat things up, but I got more than I bargained for:

| one-night invitation.

Guitar 1:

Guitar 2:

Guitar 3:

[Chorus]

| Don't sweat it, forget it, everything is a-ok. Just let it go then it's
| off to find another face. I make you come just to watch you leave.
| You walk around with my heart on your sleeve.

Guitar 2:

| Don't sweat it. It's over now. Our time ran out.

| I took an oath, but I'm giving up. You didn't have to see things my way.
| Nothing more than a casual fuck--isn't that just how we operate?

| Let's drink to the feelings of temptation. You and I, we're an
| over-night sensation.

Guitar 1:

Guitar 2:

| Outside, the brake lights started to dim. I feel tension that's been
| pulling us in. And then we do it again so we can feel alright, falling
| in love for the might.
