All Time Low - Bottle And A Beat

```
                   tom:
                    B
Intro:  B   E   Dbm  Gb

[Primeira Parte]

B            E
 Do you remember
Dbm                 Gb
 Fast times in the summer rain?
Abm              E
 The cold in December
Dbm          Gb
 Was it all a dream?
B               E
 Tell me you're alright
Dbm                   Gb
 Tell me that I didn't mean a thing
Abm           E
 Lie to my face now
Dbm      Gb
 Say anything

[Pré-Refrão]

          B
 And I'll always remember to never forget you
        B
 I'll always remember to never forget

[Refrão]

  E                   Dbm B  Gb
  Say you'll come find me
          B                    E
 When I'm dancing in the streets
                 Dbm     B    Gb
 I don't need money, don't need sleep

 Just need your pretty face, now
 E             Dbm B  Gb
 Say you'll come find me
          B                  E
 When I'm dancing in the streets
                 Dbm     B    Gb
 We don't need money don't need sleep
                          B E Dbm
 Just need a bottle and a beat
         Gb          B
 Just a bottle and a beat

(  B   E  Dbm  Gb )

[Segunda Parte]

B              E
 Will you forgive me
Dbm    Gb
 Over whiskey in the rain
B              E
 Is there a shelter
Dbm            Gb
 From all this pain
B              E
 Tell me you were right, darling
Dbm              Gb
 Tell me that you knew me all too well
Abm              E
 Instead of going to bed now
Dbm                    Gb
```

```
 Feels like I'm going to hell

[Pré-Refrão]

          B
 And I'll always remember to never forget you
        B
 I'll always remember to never forget
[Refrão]

  E                   Dbm B  Gb
  Say you'll come find me
          B                    E
 When I'm dancing in the streets
                 Dbm     B    Gb
 I don't need money, don't need sleep

 Just need your pretty face, now
 E             Dbm B  Gb
 Say you'll come find me
          B                  E
 When I'm dancing in the streets
                 Dbm     B    Gb
 We don't need money don't need sleep
                          B E Dbm
 Just need a bottle and a beat
         Gb          B
 Just a bottle and a beat

(  B   E  Dbm  Gb )

[Ponte]

B
 Pull me close now
Db
 Like a candle in the rain
Ebm
 I will surrender
E
 To you again

[Pré-Refrão]

          B
 And I'll always remember to never forget you
        B
 I'll always remember to never forget

[Refrão]

  E                   Dbm B  Gb
  Say you'll come find me
          B                    E
 When I'm dancing in the streets
                 Dbm     B    Gb
 I don't need money, don't need sleep

 Just need your pretty face, now
 E             Dbm B  Gb
 Say you'll come find me
          B                  E
 When I'm dancing in the streets
                 Dbm     B    Gb
 We don't need money don't need sleep
                          B E Dbm
 Just need a bottle and a beat
         Gb          B
 Just a bottle and a beat

[Final]  B   E   Dbm  Gb
```
