

All Time Low - Daydream Away

Tom: D
Intro:

D Bm A
I wish you could see your face right now
D Bm A
'Cause you're grinning like a fool
D Bm A
And we're sitting on your kitchen floor
Em A A
On a Tuesday afternoon

D Bm A
Doesn't matter when we get back
D Bm A
To doing what we do
D Bm A
'Cause right now could last forever
Em A A
Just as long as I'm with you

Refrão:

D Bm
You're just a daydream away
G A D A
I wouldn't know what to say if I had you
D Bm
And I'll keep you a daydream away
G
Just watch from a safe place
A D A
So I never have to lose?

D Bm A
We would go out on the weekend
D Bm A

To escape our busy lives
D Bm A
And we'd laugh at all the douche-bag guys
Em A A
Chasing down their desperate wives

I would drink a little too much
And you'd offer me a ride
I would offer you a t-shirt
And you would stay another night

(Refrão)

[Aqui segue como no verso normal com alteração no ritmo]

(D Bm) A
We never stood a chance out there

(D Bm) A
Shooting love in real-time

(D Bm) A
So we'll take it over ice tonight

(Em A) A
With a little salt and a little lime

(Refrão)

D Bm
You're just a daydream away
G A D
I wouldn't know what to say if I had you...
