

# All Time Low - Good Times

Tom: **G**

On a fault line late night **Em7** **C**  
 Underneath the stars we came alive **G**  
 And singing to the sky just felt right **G** **Em7** **C**  
 I won't forget the good times **G**

While the punks started picking fights **Em7** **C**  
 With the skater kids under city lights **G**  
 Remember how we laughed til we cried **G** **Em7** **C**  
 I won't forget the good times **G**

**Em** **C** **G**  
 I never want to leave this sunset town  
 But one day the time may come **G**  
 And I'll take you at your word and carry on **Em** **C** **G**

I'll hate the goodbye  
 But I won't forget the good times **Em7** **C** **G**  
 I won't forget the good times **Em7** **C** **G**

We we're bare knuckle tight lip **Em7** **C**  
 Middle fingers up ego trip **G**  
 Devil-may-care but we didn't mind **G** **Em7** **C**  
 I won't forget the good times **G**

With the boys in black smoking cigarettes **Em7** **C**  
 Chasing girls who didn't know love yet **G**  
 As the bonfire moon came down **Em7** **C**  
**G**

I won't forget the good times

**Em** **C** **G**  
 I never want to leave this sunset town  
 But one day the time may come **G**  
 And I'll take you at your word and carry on **Em** **C** **G**

I'll hate the goodbye  
 But I won't forget the good times **Em7** **C** **G**

**G** **C**  
 When we laughed **G**  
 When we cried

Those were the days **Em7**  
 We owned the nights **C** **G**  
 Locked away lost in time  
 I found the nerve to say that **Em7**

**Em7** **C** **G**  
 I never want to leave this sunset town  
 But one day the time may come **G**  
 And I'll take you at your word and carry on **Em7** **C** **G**  
 I'll hate the goodbye

But I won't forget the good times **Em7** **C** **G**  
 I won't forget the good times **Em7** **C** **G**

**Em** **C** **G**  
 I never want to leave this sunset town  
 But one day the time may come **G**  
 And I'll take you at your word and carry on **Em** **C** **G**

I'll hate the goodbye  
 But I won't forget the good times **Em7** **C** **G**
