

All Time Low - Jasey Rae

Tom: D

(intro) G D D G D D Bm A G

(verso 1)

Lights out
I still hear the rain

These images that

fill my head
Now keep my fingers

from making mistakes

Tell my voice what it takes to

speak up speak up

and keep my conscience

clean when I wake

(refrão 1)

Don't make this easy

I want you to mean it Jasey
(Say you mean it)

You're dressed to kill

I'm calling you out

(Don't waste your time on me)

(verso 2)

Now there's an aching in my back

A stabbing pain that says I lack

the common sense and confidence

to bring an end to promises
that I make in times of

desperate conversation

Hoping my night could be better

than theirs in the end

(Just say when)

(refrão 2)

Don't make this easy

I want you to mean it Jasey
(Say you mean it)

You're dressed to kill

I'm calling you out

(Don't waste your time on me)

(ponte)

I've never told a lie

and that makes me a liar

I've never made a bet

but we gamble with desire

I've never lit a match with

intent to start a fire

but recently the flames are

getting out of control

Call me a name

kill me with words

Forget about me

it's what I deserve

I was your chance to

get out of this town

but I ditched the car

and left you to

(outro)

Wait outside

I hope the air will

serve to remind you

that my heart is as

cold as the clouds

of your breath

and my words are

as timed as the

beating in my chest
