

# All Time Low - Kids In The Dark

Tom: E  
Intro: Dbm A E B (2x)  
(The kids in the dark) (4x)

Verse 1:  
Dbm A  
Here we are at the end of the road  
E B  
A road that's quietly caving in (caving in)  
Dbm A  
Come to far to pretend that we don't  
E B  
We don't miss where we started (started)

Pre chorus:  
Dbm A  
Looking back I see a setting sun  
E B  
Watch my shadow fade into the floor (floor)  
Dbm A  
I am left standing on the edge  
E B A  
Wondering how we got this far (how we got this far)

Chorus:  
Dbm  
They left us alone  
A  
The kids in the dark  
E B  
To burn out forever or light out the spark  
Dbm A  
We come together state of the art  
E  
We'll never surrender  
B  
The kids in the dark so let the world sing  
Dbm A  
What a shame what a shame  
E B  
Beautiful scars on critical veins  
Dbm A  
We come together state of the art  
E  
We'll never surrender  
B  
The kids in the dark The kids in the dark

Instrumental:

Verse 2:  
Dbm A  
Here we are at the top of the hill  
E B  
A hill that's quietly crumbling  
Dbm A  
Been a while since you dressed for the kill  
E B  
The kill that sent me tumbling

Pre chorus:  
Dbm A  
Looking up I see a falling star

E B  
And watch its fire burn into the floor  
Dbm A  
And I am left standing on the edge  
E B  
Wondering why we fall so hard (why we fall so hard)

Chorus:  
Dbm  
They left us alone  
A  
The kids in the dark  
E B  
To burn out forever or light out the spark
