

All Time Low - Poison

Tom: C

(intro 2x) Am

(verso 1)

I've got a house in the back of my head

But i can't find a permanent resident

Cause the markets down and

The area's not so good these days

I've got a watch but i don't have time

I got a road and it leads to decadence

But a dead end sign waits down the line

I leave my footprints for the evidence

(refrão 1)

So take my life

I'll hand it to you

And you can try on my clothes

But you can't fill these

shoes On a silver platter

Your wish came true

So your heart of gold

turned platinum

You can take my life

But you can't take it with you

(interlúdio) Am F

(verso 2)

More long days and fleeting nights

So tell them wake me under flashing lights

Cause i'm a brand name bought and sold

They say a face for fame is a crying shame

Because to face the crowd is to play their game

And i can play a little too rough now and again

You drank the poison and i let you in

(refrão 2)

So take my life

I'll hand it to you

And you can try on my clothes

But you can't fill these

shoes On a silver platter

Your wish came true

So your heart of gold

turned platinum

You can take my life

But you can't take it with you

(interludio 4x) Am F C G

(ponte)

You drank the poison

and i i let you in

Would you trade that heart of

gold for a minute in my skin

You drank the poison

and i i let you in

Would you trade that heart of

gold for a minute in my skin

(refrão 3)

So take my life

I'll hand it to you

And you can try on my clothes

But you can't fill these

shoes On a silver platter

Your wish came true

So your heart of gold

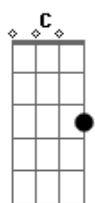

turned platinum

You can take my life

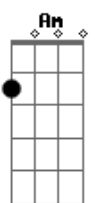

But you can't take it with you

(outro 4x) Am F C G
