

# All Time Low - The Beach

Tom: **F**

(intro 5x)

(verso)

You're a long walk from my street  
And I'm dying in this summer heat  
I hope like hell you're waiting, waiting

Everybody's living like they're crazy in love  
I'm a dizzy mess  
And everything is so above me  
From the formal kind of life I lead today

(refrão)

Well, they can take, take, take the kids from the summer  
But they'll never, never, never take the summer from me  
It was the very first time  
That I lost my mind for a week  
They can make, make, make me forget the weather  
If they'll never, never, never wash the sand from my feet  
It was the very last time  
That we said goodbye to the beach  
Showing off, showing off our teeth

(verso)

So make one last call back home  
Cause tonight we go it alone  
And I hope that you know I'm waiting, waiting  
(Summer, do you feel me?)

Everybody's singing like they're crazy in love  
We made a dizzy mess of everything  
And it was enough  
So bring all the boys and all the girls together

(refrão)

(ponte)

**F**

You're going out in style

**C** (abafado)

And I'm getting tired of all your lying  
(Summer, do you feel me?)

**F** (break)

Stop pretending

Stop; the answer's in the smile

**C** (abafado)

And I'm coming clean

(Summer, do you feel me?)

Just give me something

(Summer, do you feel me?)

Stop pretending

(refrão)

(final)
