waiting on a second hand pick me up

G
If I could just find the time
A
Then I would never let another day go by
D
I'm over getting old

[Chorus]

G
Maybe it's not my weekend
D
But it's gonna be my year **A**
A B D Gb G
And I'm so sick of watching
D
While the minutes pass as I go nowhere **A**
Bm
And this is my reaction to everything I fear **G**
D
Cause I've been going crazy **G**
A
D

I don't wanna waste another minute here

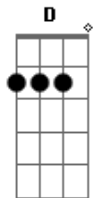

G
Make believe that I impress **A**
D
That every word by design turns a head **G**
G
I wanna feel reckless
A
Wanna live it up just because
D
I wanna feel weightless cause that would be enough **G**
G
If I could just find the time
A
Then I would never let another day go by
D
I'm over getting old

[Chorus]

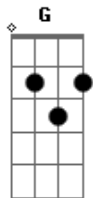

Bm
This could be all I've waited for **G**
Bm
This could be everything **G**
A
I don't wanna dream anymore
D
Maybe it's not my weekend
E

G
And I've been going crazy
